

Press Release
City of Douglas
Week of August 2, 2010

The City of Douglas continues work on various projects. This work is being completed by the Department of Public Works and is part of the Mayor and Council's ongoing infrastructure improvement program.

Pan American Avenue Temporary Traffic Control Measures

Pan American Avenue southbound traffic will be restricted to alleviate traffic congestion and eliminate gridlocked intersections. Eastbound, southbound and westbound traffic at the 3rd Street and 5th Street intersections will be restricted. These traffic measures are in effect until further notice. For questions or concerns please call the Public Works Department at 417-7329.

Curbing Installation

There will be curb, gutter and sidewalk installation on 20th Street from Washington Avenue to A Avenue along with reconstruction of the same area, weather permitting. Construction work hours will be from 7:00 a.m. to 4:00 p.m., Monday through Friday. No parking will be allowed within the construction limits and vehicular traffic will be restricted along project limits. Vehicles parked within the project limits WILL BE TOWED AWAY.

Water Main Replacement

Water main installation, road construction and concrete work will be taking place from A Avenue to Washington Avenue.

Sewer Construction

New sewer-line installation will continue at the south-side of Wal-Mart.

Fire hydrant and water system maintenance also continues along with miscellaneous concrete repairs, pothole patching, and graffiti cleanup throughout the city. Should problems arise with water and/or sewer services on the weekend or a holiday, please contact the Douglas Police Department at 417-7550, and staff on call will be dispatched to your residence. The City asks that you please obey all construction detours and use caution while driving or walking through these construction zones. Please help keep everyone safe.

Please remember to obey all construction detours and use caution while driving or walking through the construction zone. Help keep everyone safe.
