

**General Traffic Information
City of Douglas
Week of February 6, 2012**

Traffic Control Measures - 3rd Street & Chino Road:

Chino Road to Pan American Avenue is open to vehicular traffic. All vehicles traveling to Mexico via the Port of Entry are required to use this route. Heavy commercial trucks continue to be diverted to 3rd Street via 'H' Avenue. Construction continues on other roadside improvements along this route. We apologize for the inconvenience and we thank you for your patience.

Border Fence Replacement Project:

The Border Fence Replacement project, an Army Corps of Engineer project, is nearing completion. This project consists of replacing the border fence 3.1 miles east and west from the Port of Entry.

Streets Maintenance:

Streets Maintenance Division will continue with concrete drainage improvements on 3rd Street from Chino Road to Chiricahua Avenue. Government Center parking area base preparation for paving begins.

Fire hydrant and water system maintenance also continues along with miscellaneous concrete sidewalk repairs, pothole patching, and graffiti cleanup throughout the city. If you have questions, please contact the Department of Public Works at 417-7329. Should problems arise with water and/or sewer services on the weekend or a holiday, please contact the Douglas Police Department at 417-7550, and on-call staff will be dispatched to your residence.

The City asks that you please obey all construction detours and use caution while driving or walking through these construction zones. Please help keep everyone safe.
